CHFM Exam Review

Wednesday, October 1st, 2025

8:00 am – 5:00 pm

**SCHA, 2000 Center Point Rd, Suite 2375
Columbia, SC 29210**

Designed to give you a final check before taking the Certified Healthcare Facility Manager (CHFM) Exam, this course will help you gain confidence in the five key competency areas of the CHFM exam. Through a combination of lecture, CHFM exam-simulated practice test questions, and study materials, you will feel more confident to take the CHFM exam and also review best practices for taking a computer-based test. Please note: Participation in this e-learning course does not guarantee a passing score on the exam. The course does not include the CHFM exam fee, nor does it register you for the exam.

What you will learn:

- Apply your knowledge & experience in answering recall, application & analysis questions.
- Strategies to apply during the examination
- Analyze, identify & mitigate gaps in CHFM competency-driven knowledge
- Exam preparation & test taking tips

Exam Content:

- Administration
- Compliance
- Finance Management
- Health Care Project Management
- Maintenance & Operation

This is an official ASHE program hosted by SCSHE. Pricing, registration, and coordination of these events are determined by SCSHE. Registrations for this program are not transferable to other ASHE courses.
